Buy or renew your OSHC for 13 months or more and enjoy a 6% discount on your rates

Having OSHC is a condition of your student visa (limited exceptions apply - please see the OSHC brochure). If you are applying for your student visa on or after 1 July 2010, you will be required to take out OSHC for the full length of your visa.

When you take out Medibank Private OSHC for the full length of your visa you are not only protected against any future rate rises that occur during the time of your cover, but you also have the convenience of making just one payment.

Plus if you buy Medibank Private OSHC for 13 months or more you will enjoy a 6% discount on your rates.

Considering cover for your family? Did you know...

Family cover includes the student, the spouse of the student and any dependent children of the student who have been authorised to enter and remain in Australia with the student and who are actually residing at the same place of residence as the student. Dependent children must be under 18 years of age and not married or in a defacto relationship. Other family members are advised to purchase a Medibank Private Visitors Cover or Working Visitors Cover.
